

## **PUBLICATIONS**

### *Review articles*

- **Patatas K**, Shrivastava V, Ettles DF. *Penetrating atherosclerotic ulcer of the aorta: a continuing debate*. Clinical Radiology 2013; 68(8): 753-759 (DOI: 10.1016/j.crad.2012.11.014)
- **Patatas K**, Ling L, Dunning J, Shrivastava V. *Static sac size with a type II endoleak post EVAR: surveillance or embolisation?* Interact Cardiovasc Thorac Surg 2012; 15: 462-6 (DOI: 10.1093/icvts/ivs201, PMID: 22617500)
- **Patatas K**, Koukkoulli A. *The use of sedation in the radiology department*. Clinical Radiology 2009; 64(7): 655-663 (DOI: 10.1016/j.crad.2008.11.002, PMID: 19520209)
- **Patatas K**. *Plain abdominal radiograph: when to request it and how to interpret it*. Foundation Years Journal 2010; 4(6): 18-23

### *Original papers*

- **Patatas K**, Ettles DF, Robinson GJ, Lakshminarayan R. *Patterns of renal angiomyolipoma regression post embolisation on medium to long-term follow-up*. British Journal of Radiology 2013; 86: 20120633 (DOI: 10.1259/bjr.20120633)
- **Patatas K**, Panditaratne N, Wah T, Weston M, Irving H. *Emergency department imaging protocol for suspected acute renal colic: re-evaluating our service*. British Journal of Radiology 2012; 85: 1118-1122 (DOI: 10.1259/BJR/62994625, PMID: 22496069)
- **Patatas K**. *Does the protocol for suspected renal colic lead to unnecessary radiation exposure of young female patients?* Emergency Medicine Journal 2010; 27(5): 389-390 (DOI: 10.1136/emj.2009.084780, PMID: 20442172)

### *Case reports*

- **Patatas K**, Robinson G, Shrivastava V, Lakshminarayan R. *A novel endovascular technique in the management of a large internal iliac artery aneurysm associated with an arteriovenous fistula*. Cardiovascular Revascularisation Medicine 2013; 14(1) 62-65 (DOI: 10.1016/j.carrev.2012.10.002, PMID 23141479)

### *Book review*

- **Patatas K**. *Book Review. Chest Radiology: The Essentials (2<sup>nd</sup> Edition) By J Collins & EJ Stern. Lippincott Williams & Wilkins, 2007*. Clinical Radiology 2009; 64(7): 746-747 (DOI: 10.1016/j.crad.2009.02.009)

### *Commentary*

- **Patatas K**. *Raising awareness of the risks of radiation*. BMJ Careers. BMJ Oct 2008; 337: 119 (DOI: 10.1136/bmj.a1960)
- **Patatas K**. *Shaped Like a Greek Letter*. Anatomical Sciences Education 2008; 1(3): 138 (DOI: 10.1002/ase.23, PMID: 19177399)

## Abstracts

- **Patatas K**, Ling L, Shrivastava V. *The trouble with right-sided varicoceles: should MR venography be routinely performed prior to embolisation?* Published electronic supplementary CVIR issue, p S157 (DOI: 10.1007/s00270-012-0437-6)
- Papadakos N, **Patatas K**, Tolia K. *Is the incidence of clinically symptomatic vasospasm in patients with subarachnoid haemorrhage reducing?* Proceedings of the 151 Meeting of the Society of British Neurological Surgeons. Abstract. British Journal of Neurosurgery 2008; 22(2): 175

I have also acted as a paper reviewer for Clinical Radiology in March 2013.
